DETAILED ACTION

1. This office action is in response to application 10/669,496 and amendment filed on 1/3/2006. Claims 2-4 and 6 remain pending in the application, where claims 1, 5 and 7 are canceled.

EXAMINER'S STATEMENT AS TO THE REASONS FOR ALLOWANCE

2. Claims 2-4 and 6 are allowed over the prior art of record.

3. The following is an examiner's statement of reasons for allowance: the prior art of record does not teach or fairly suggest a combination of all claim limitations including generating a selection list of selected components or nets or both with the greatest amount of timing violation potential based on the user-provided criteria as recited in the claims and removing clock nets from the selection list to perform an in-place optimization with only the selected components or nets or both.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
